A WARNING [EN]
For climbing and mountaineering only. Climbing and mountaineering are dangerous. Understand and accept the risks involved before participating. You are responsible for your own actions and decisions. Make sure you have the appropriate skills and experience before using this product under the direct control of an experienced and responsible person. Before using this product, read and understand all instructions and limitations. Use the equipment correctly and safely. Check your use, capabilities and limitations. Seek qualified instruction. Contact Black Diamond if you are uncertain about how to use this product. Do not modify this product in any way. Failure to read and follow these warnings can result in severe injury or death.

KEY:
• Risk of serious injury or death • Approved use
• Risk of accident or injury • Examination required

INSTRUCTIONS FOR USE
• Keep instructions for future reference.
This pamphlet explains correct use and some common misuses for this equipment. It does not cover all potential uses. Other potential misuses, common equipment use and use of redundant systems will require some of the risks associated with climbing. If you lack experience, use this equipment under proper supervision. Always consider how a rescue might be best carried out in case you fall. Consult with your equipment supplier. Check your use, capabilities and limitations. Seek qualified instruction. Contact Black Diamond if you are uncertain about how to use this product. Do not modify this product in any way. Failure to read and follow these warnings can result in severe injury or death!
